Our Groundrules

In conducting the work of the CAG, members will:

- work cooperatively with each other, supporting agencies, and other stakeholders,
- be respectful of all participants,
- approach all issues and viewpoints with an open mind,
- work to ensure that their concerns and issues are articulated in a way that all stakeholders can understand,
- seek common ground wherever possible, and present and respect minority opinions where they exist.

**Saginaw-Tittabawassee Rivers Contamination CAG
2015 Remaining Meetings**

Meeting dates are subject to change and additional meetings may be called based on project-related activities and decisions, and invited speakers.
